and restored what was dead; He breathed

I am now His enclosed garden for His Majesty alone..."

the moment Your creation would
be exalted with Divine Love,

they would cry out to You:

"Kyrie eleison, Kyrie eleison,"

and You in Your turn will tell them:

"because you have embraced Me, My ray of Light now shines in the center of your heart;"

now I can clearly say:

"I need not be afraid of the gravedigger anymore,
I need not call the tomb I laid in: " my bridegroom" and to the worm: "my brother and sister;"

today I praise my Lord and call Life:
"my Bridegroom, my Brother and my Sister;"

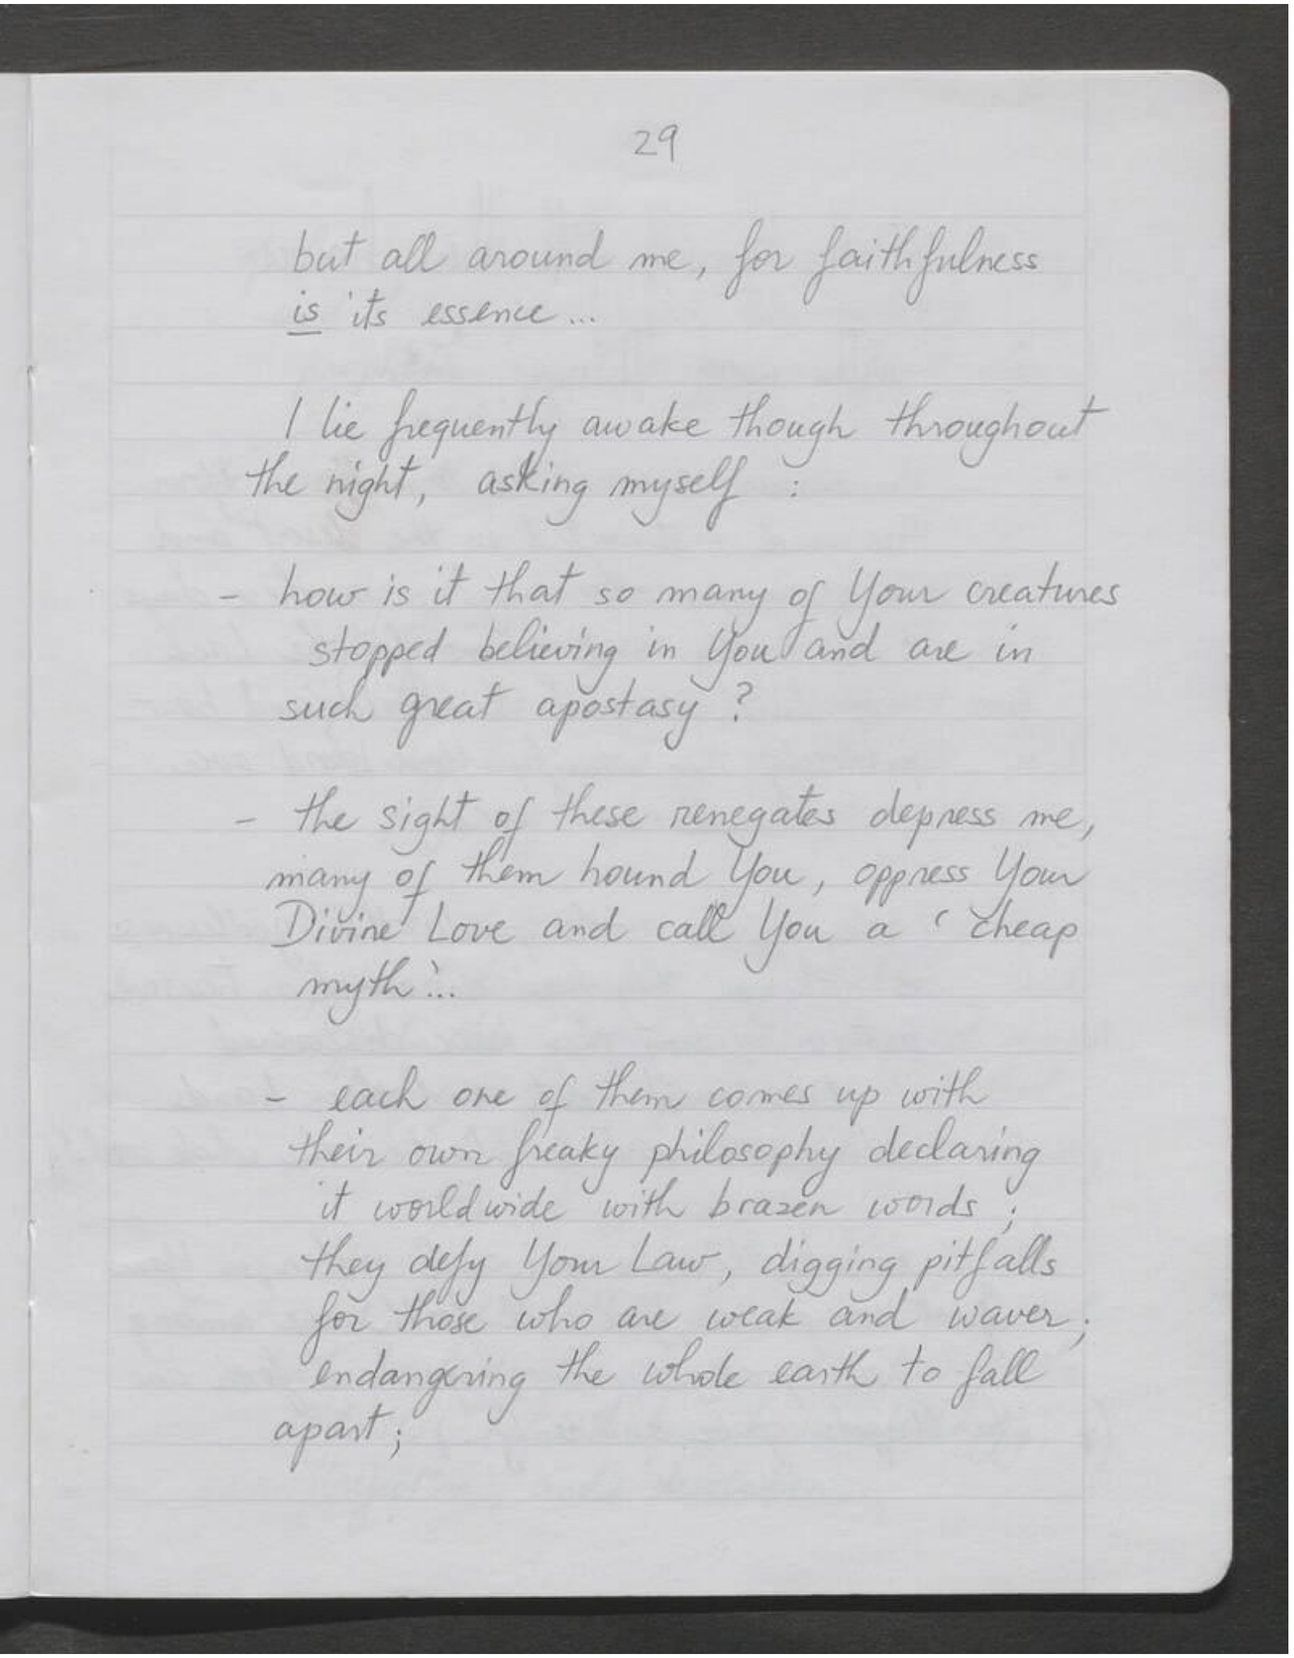
Your Rules, Lord, are melodious psalms
now in my ears,
and Your Laws a Love Ode because
You have visited me...

union and conversation with my God
is excelling all the pleasures of this
world put together;

I am filled with Your Love and I praise
Your Holy Name that allows me to share
in Your Light;

the dose of knowledge You have been
instilling in me overwhelms my soul,
Your Commandments epitomise faithfulness;

You have shrouded me in flames,
burning with the only wish to become
liquid in You;
when with tenderness You open Your
Mouth to speak as Your Word unfolds
it gives light, not only to my soul,



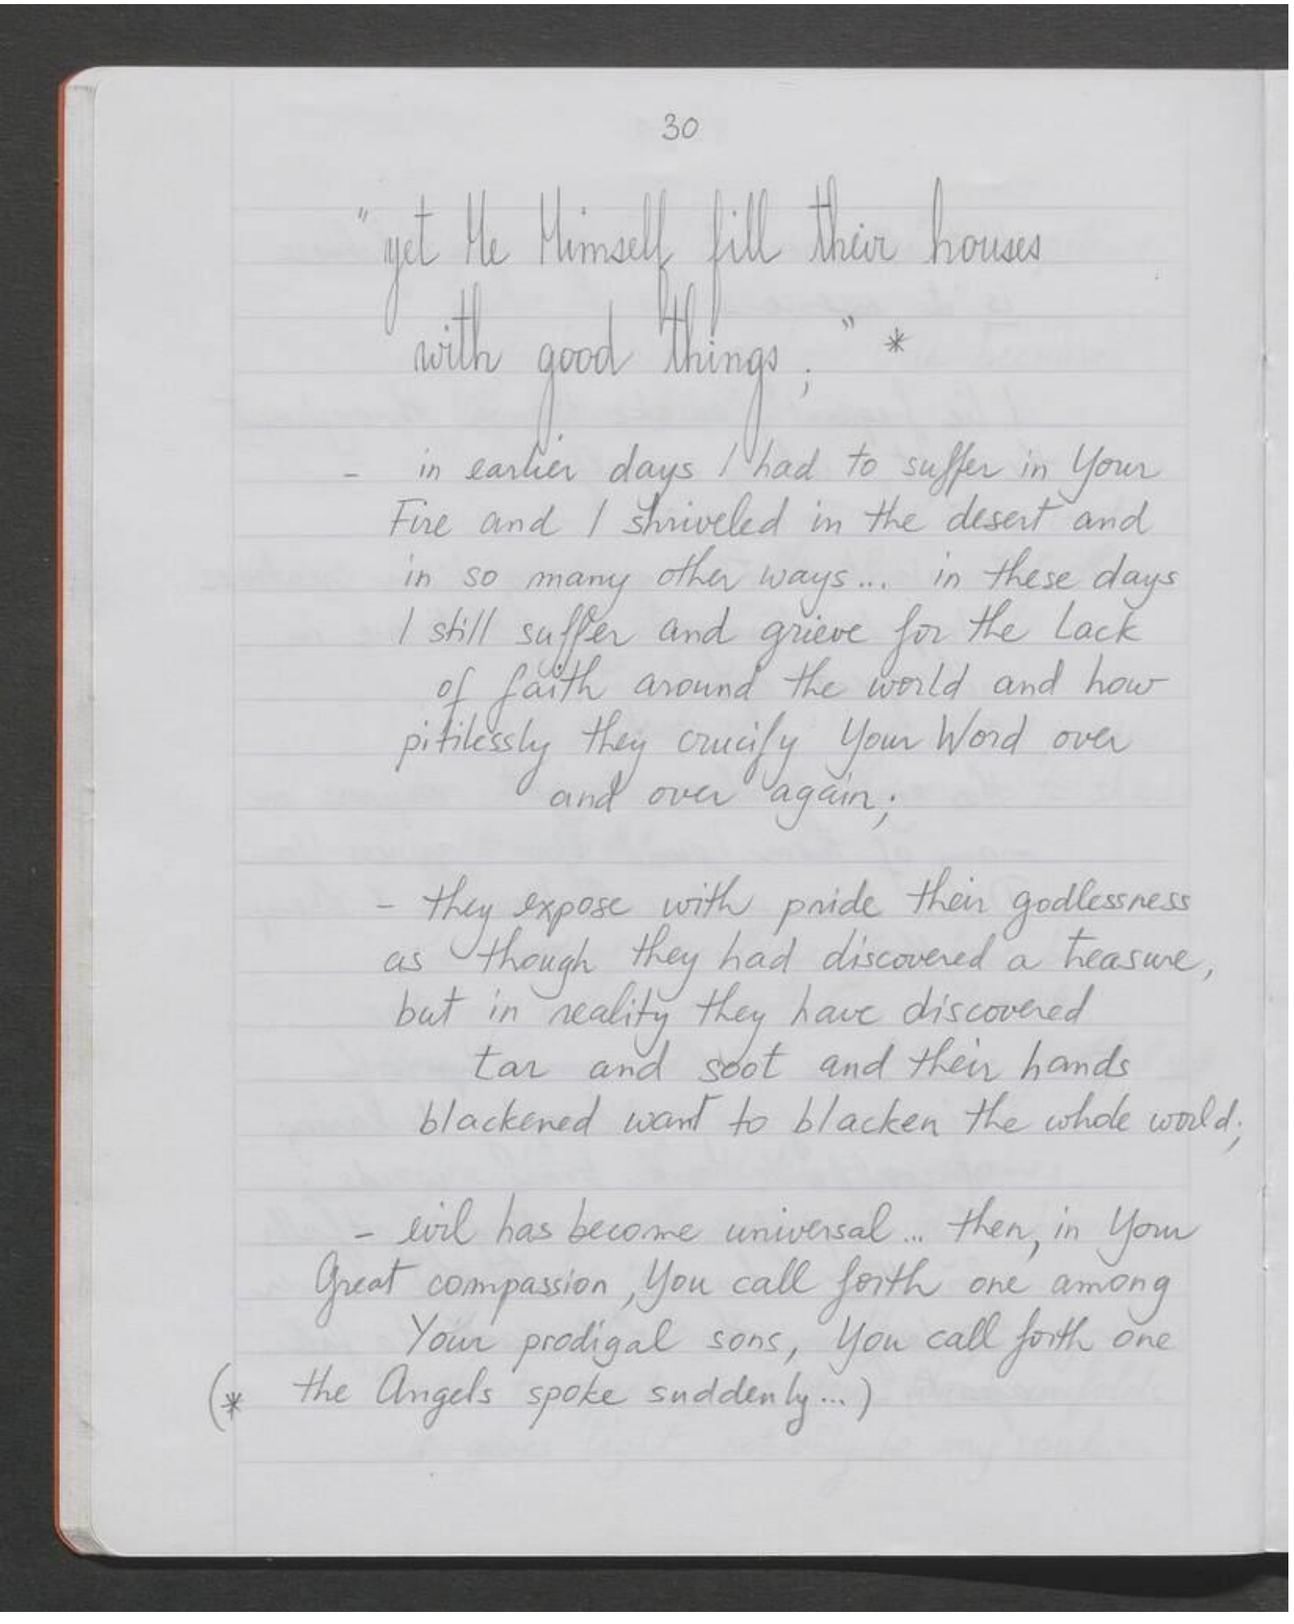
but all around me, for faithfulness
is its essence...

I lie frequently awake though throughout
the night, asking myself:

- how is it that so many of Your creatures
stopped believing in You and are in
such great apostasy?

- the sight of these renegades depresses me,
many of them hound You, oppress Your
Divine Love and call You a 'cheap
myth'...

- each one of them comes up with
their own freaky philosophy declaring
it worldwide with brazen words;
they defy Your Law, digging pitfalls
for those who are weak and waver;
endangering the whole earth to fall
apart;



30

"yet He Himself fill their houses

- in earlier days I had to suffer in Your
Fire and I shriveled in the desert and
in so many other ways... in these days
I still suffer and grieve for the lack
of faith around the world and how
pitilessly they crucify Your Word over
and over again;

- they expose with pride their godlessness
as though they had discovered a treasure,
but in reality they have discovered
tar and soot and their hands
blackened want to blacken the whole world;

- evil has become universal... then, in Your
Great compassion, You call forth one among
Your prodigal sons, You call forth one

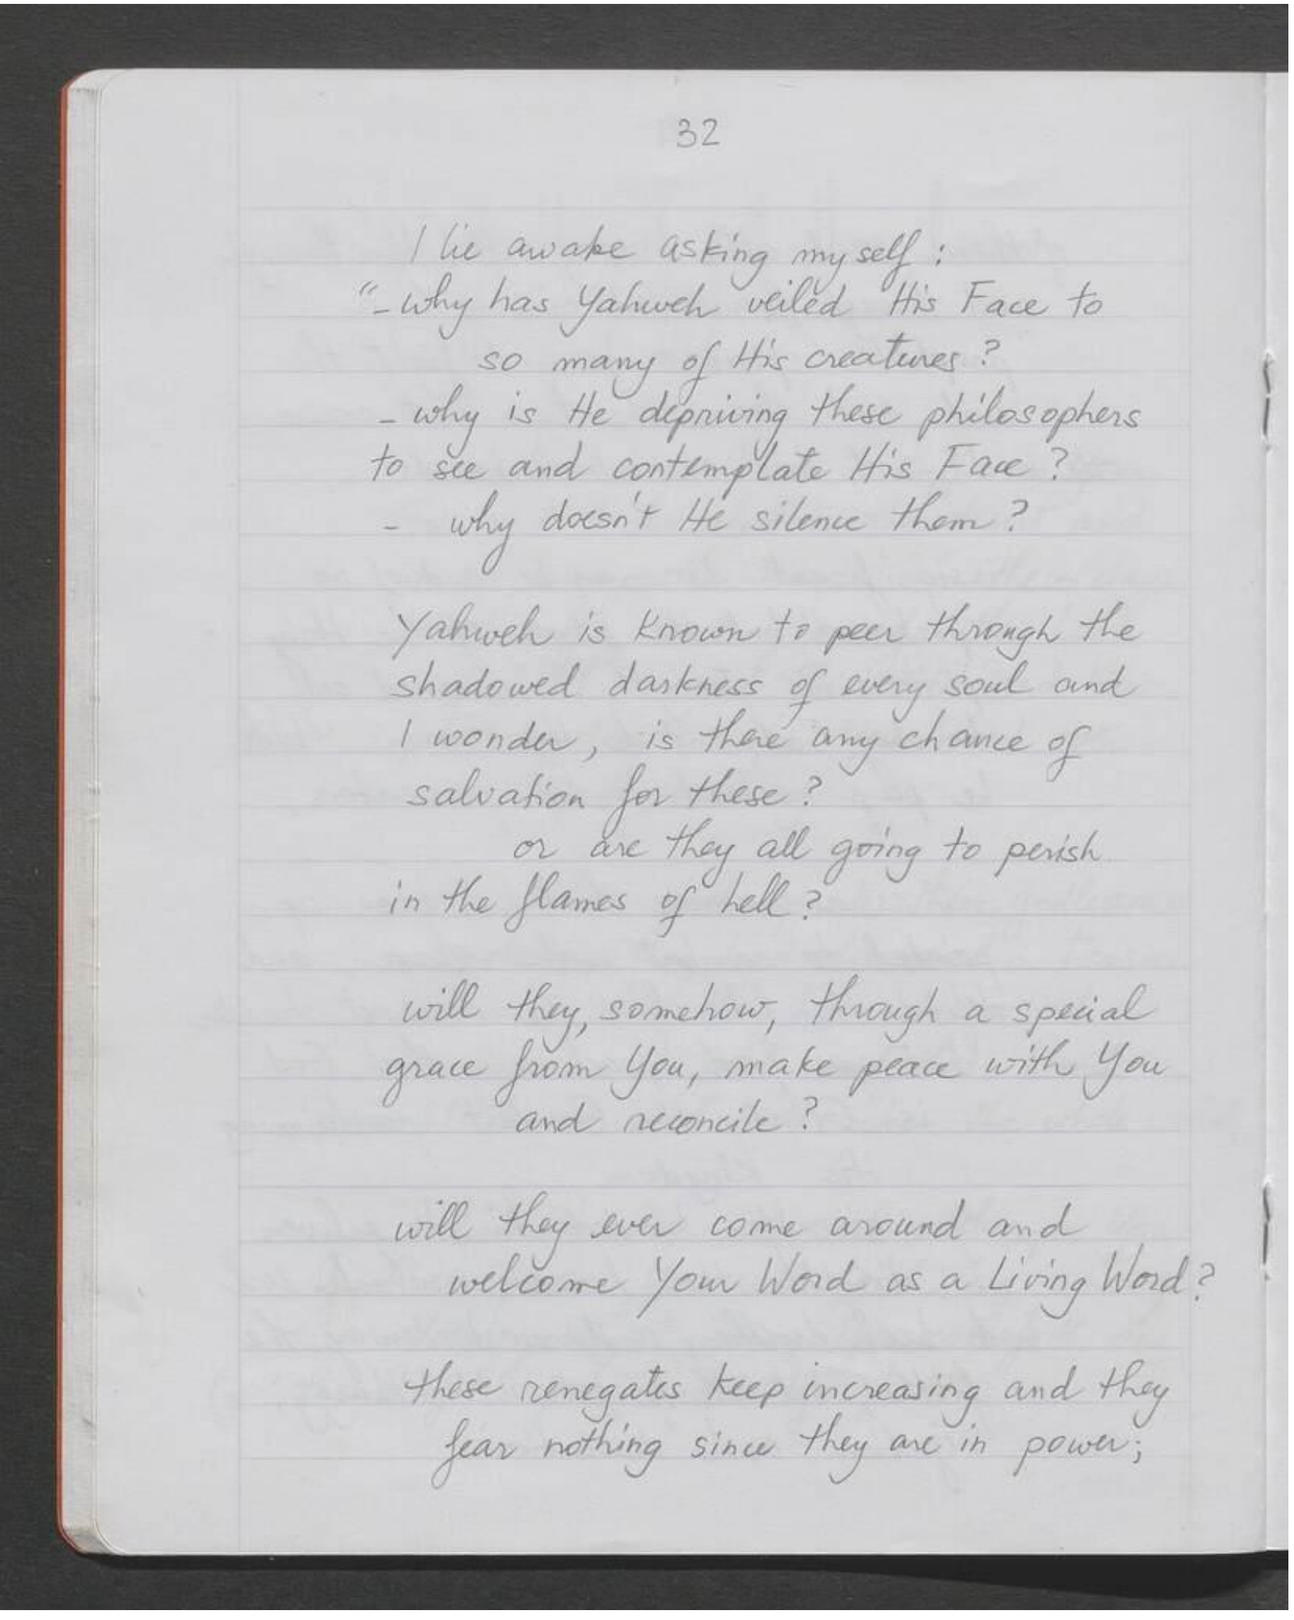
of them, and after having sifted him through
and through You anointed him with a
prophetic spirit to go and fight the
evil, and clean the tar that covers
the world with his own bare hands;

- insignificant he may be and of no
importance, but the power of the Holy
Spirit is his strength; concerned only
to obey God and do the Father's Will
he pays no heed to his persecutors;

- as a warrior that has been ap-
pointed to combat with valour, and
defend the Church, he does not shudder
but goes forth proclaiming that God
is Great, the Greatest... proclaiming
His Kingdom...

- You give Your Word to him to enliven
and brighten their hearts in which evil
had been dwelling, and wash away the
filth, but all he gets is 'lethargy',
'rejection', and 'desolation'...



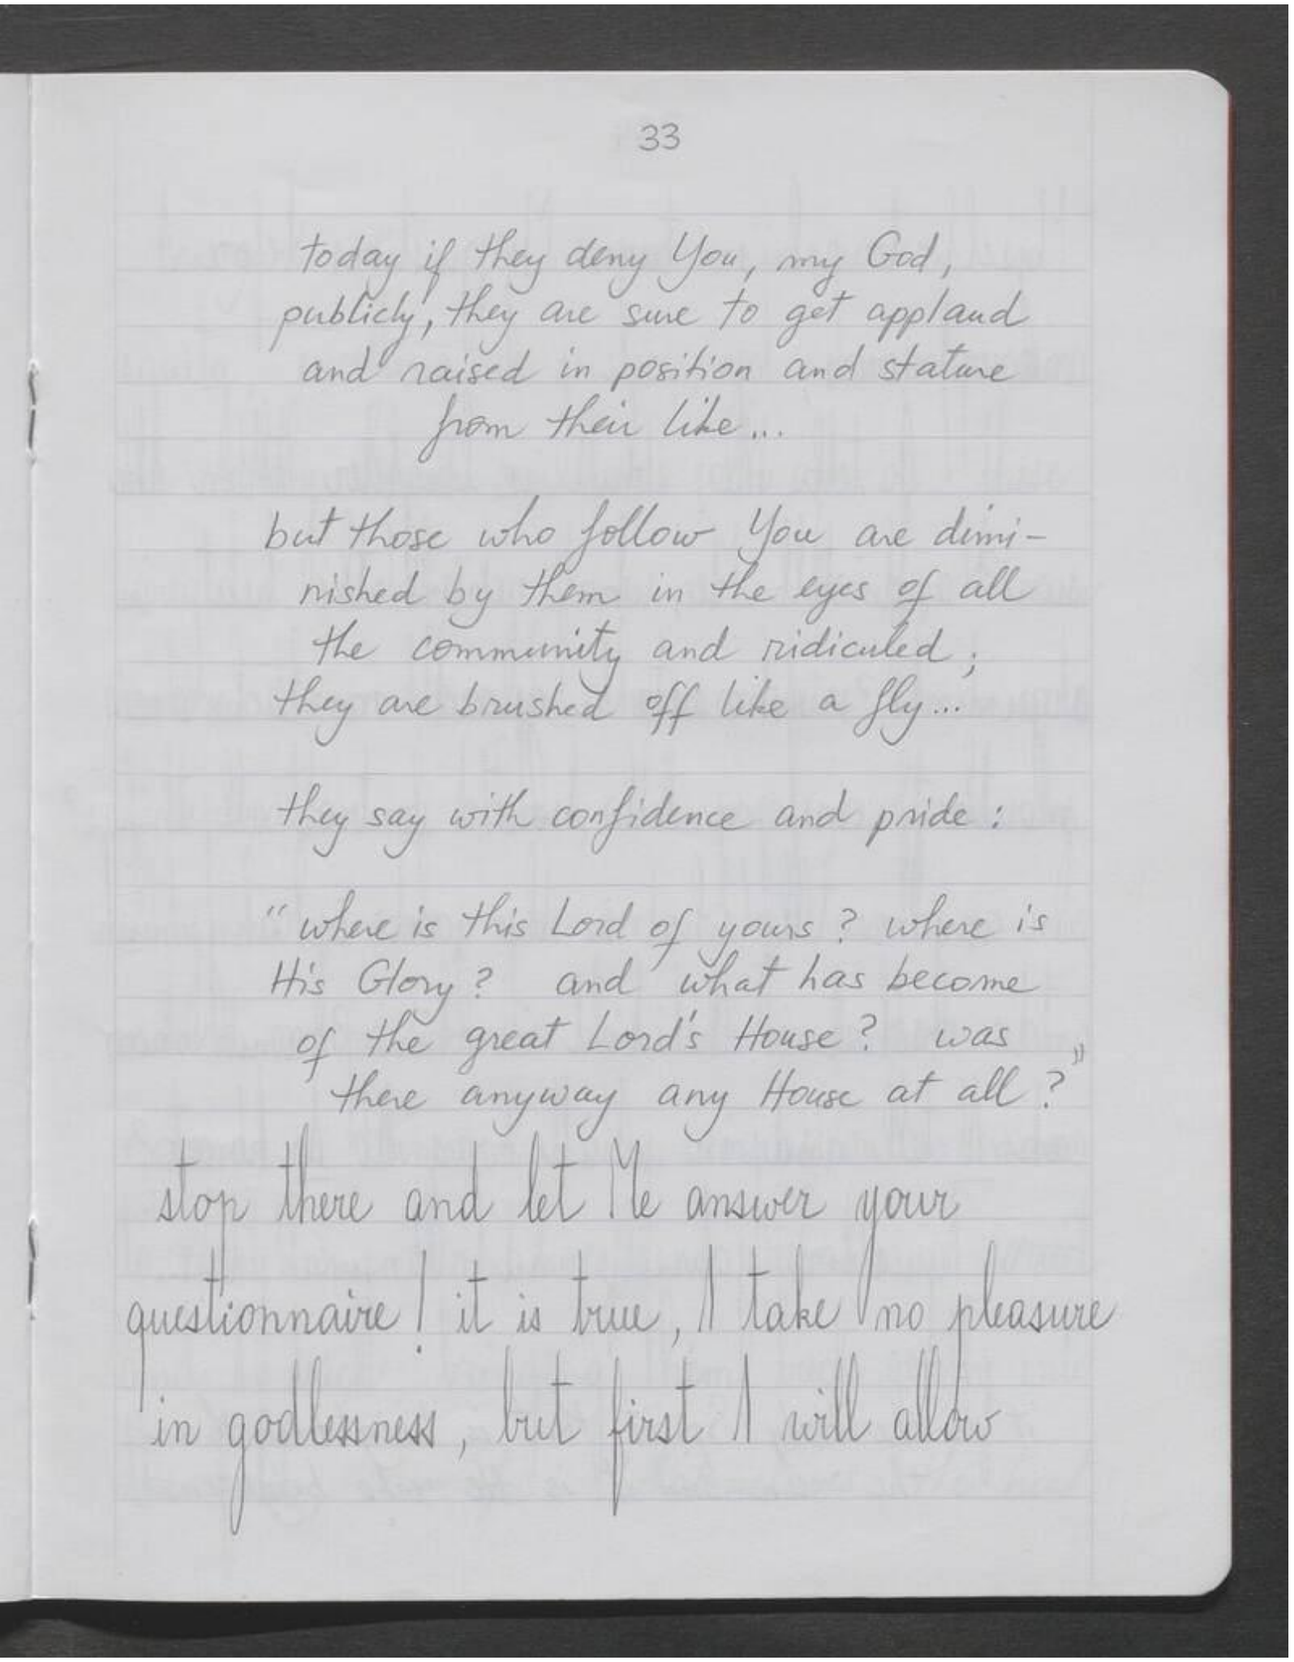
I lie awake asking myself:
"- why has Yahweh veiled His Face to
so many of His creatures?
- why is He depriving these philosophers
to see and contemplate His Face?
- why doesn't He silence them?

Yahweh is known to peer through the
shadowed darkness of every soul and
I wonder, is there any chance of
salvation for these?
or are they all going to perish
in the flames of hell?

will they, somehow, through a special
grace from You, make peace with You
and reconcile?

will they ever come around and
welcome Your Word as a Living Word?

these renegates keep increasing and they
fear nothing since they are in power;



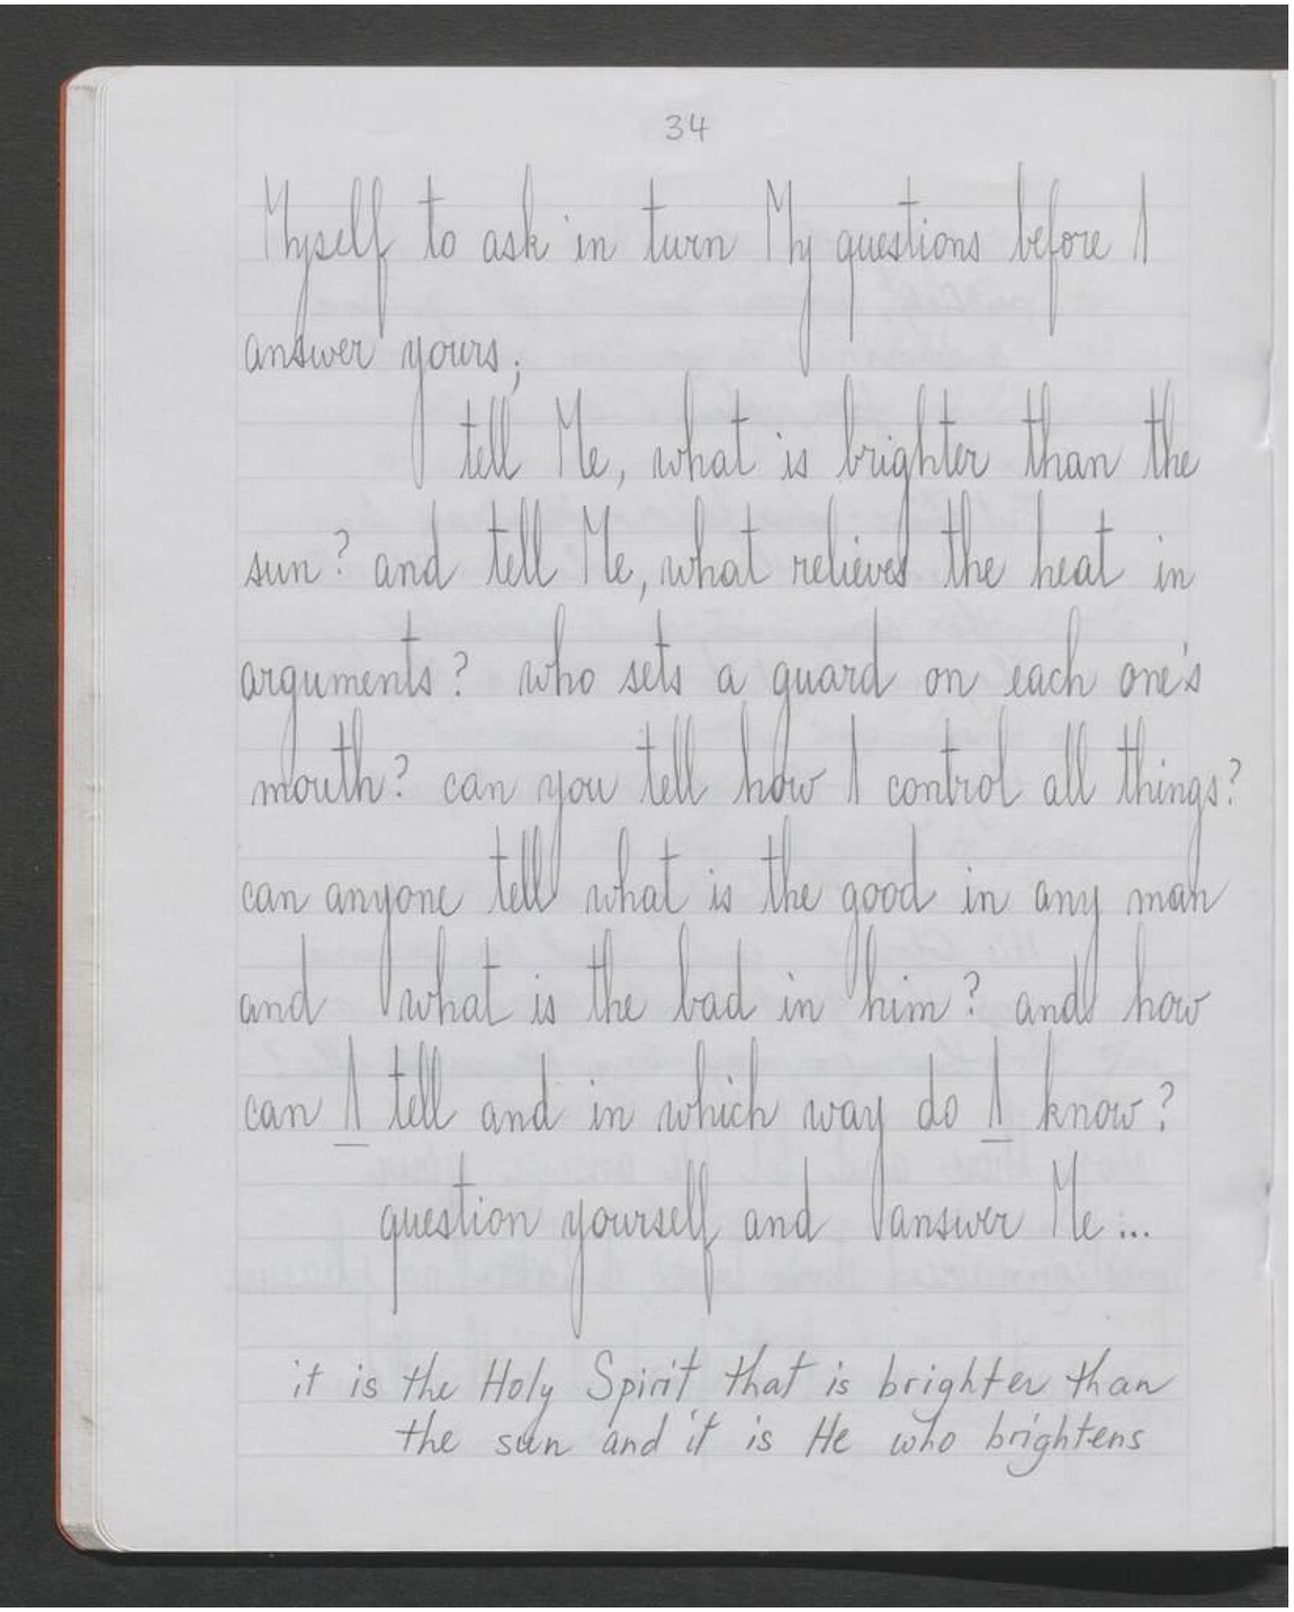
today if they deny You, my God,
publicly, they are sure to get applaud
and raised in position and stature
from their like ...

but those who follow You are dimi-
nished by them in the eyes of all
the community and ridiculed;
they are brushed off like a fly...

they say with confidence and pride:

"where is this Lord of yours? where is
His Glory? and what has become
of the great Lord's House? was
there anyway any House at all?"

stop there and let Me answer your
questionnaire! it is true, I take no pleasure
in godlessness, but first I will allow



Myself to ask in turn My questions before I answer yours;

tell Me, what is brighter than the sun? and tell Me, what relieves the heat in arguments? who sets a guard on each one's mouth? can you tell how I control all things? can anyone tell what is the good in any man and what is the bad in him? and how can I tell and in which way do I know? question yourself and answer Me...

it is the Holy Spirit that is brighter than the sun and it is He who brightens

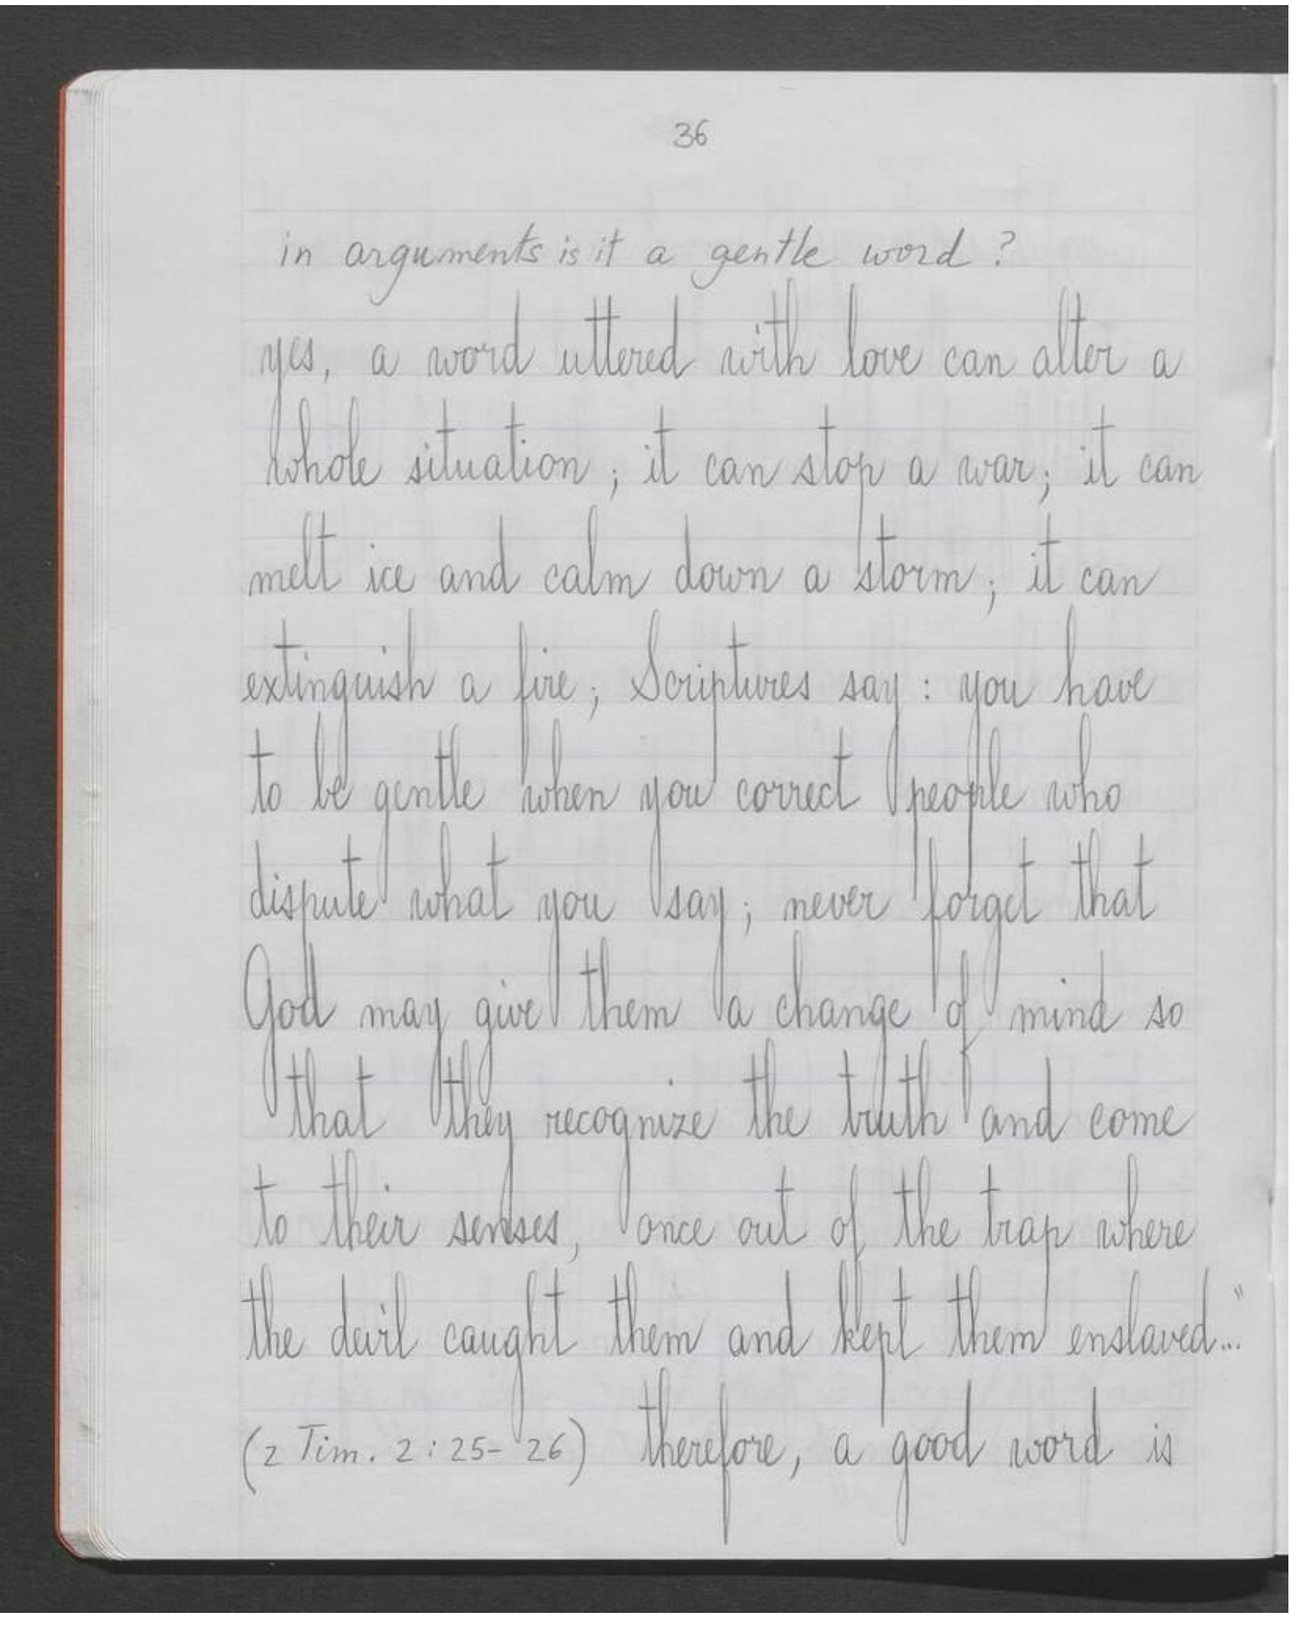
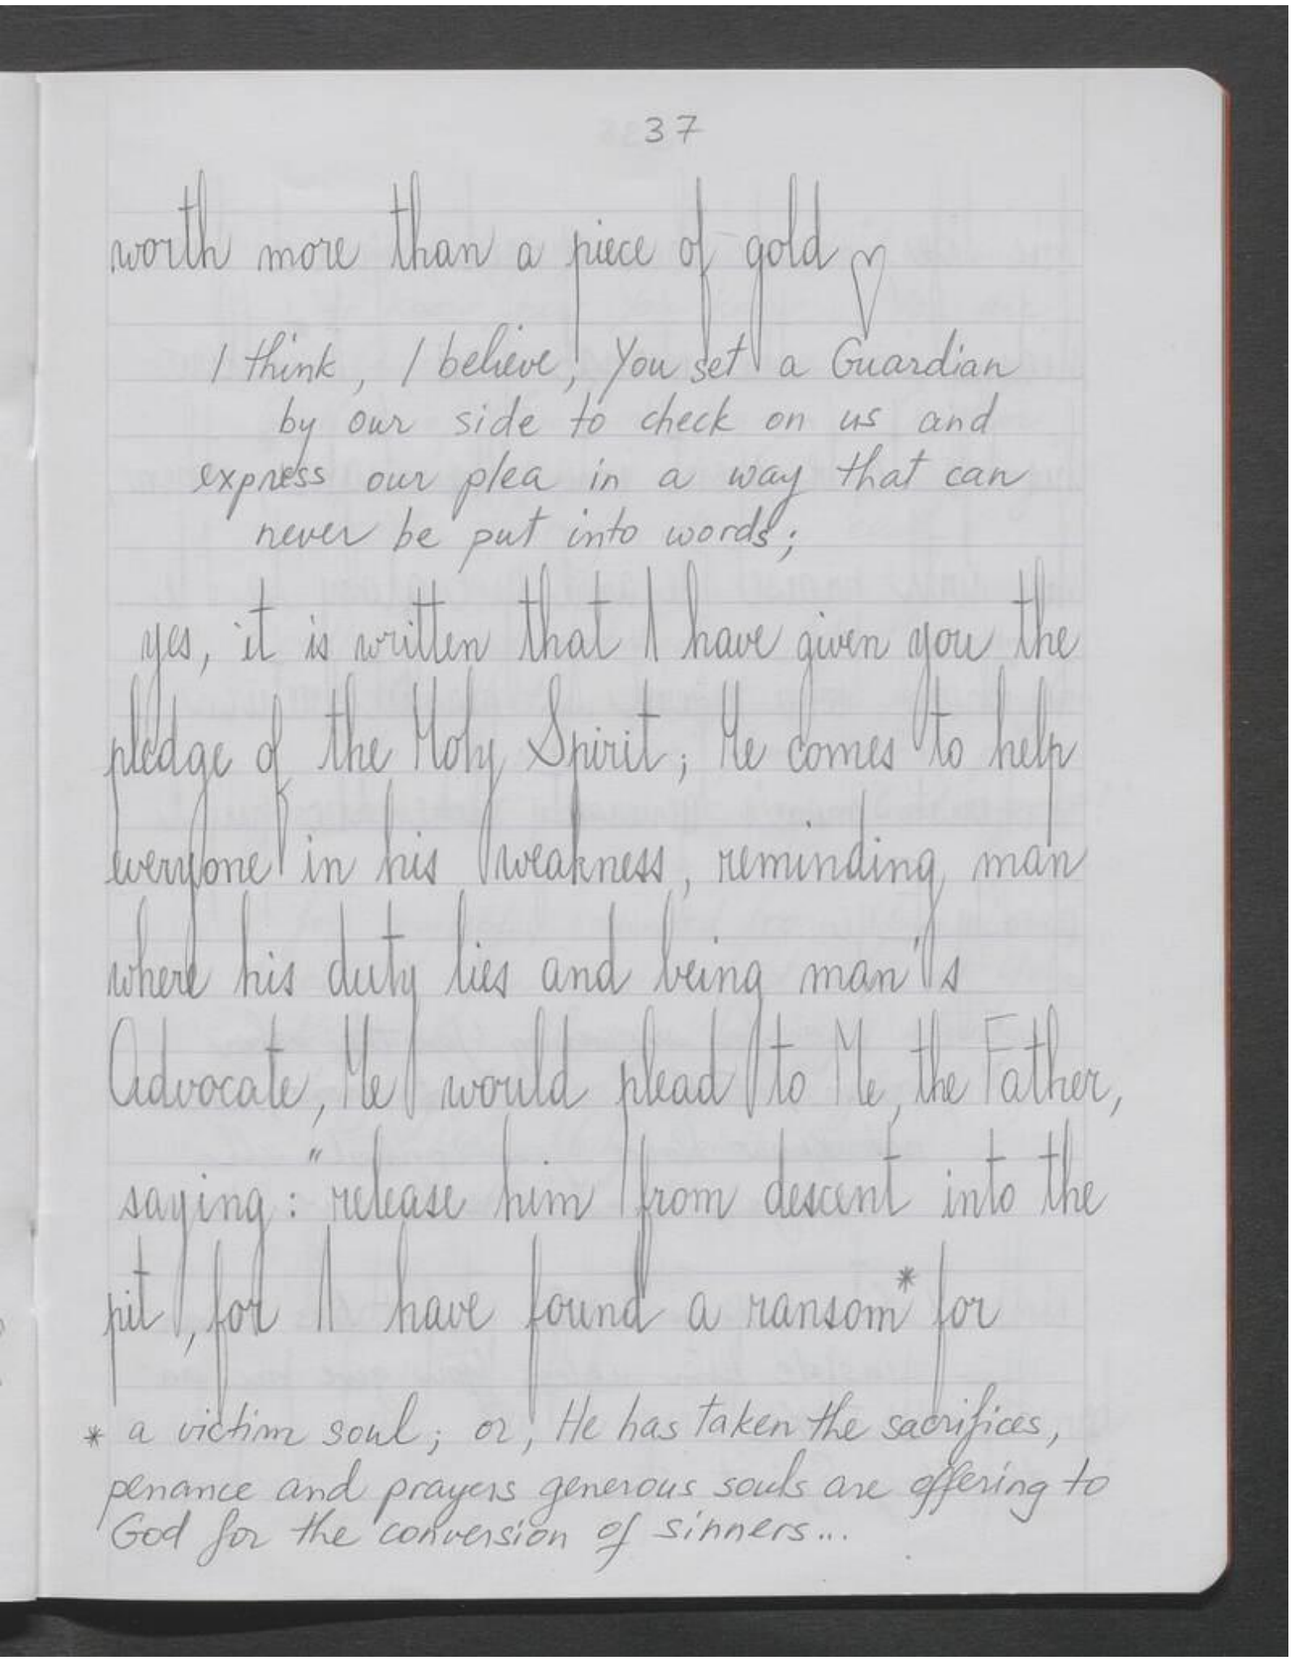
as for what relieves the heat



in arguments is it a gentle word?

yes, a word uttered with love can alter a whole situation; it can stop a war; it can melt ice and calm down a storm; it can extinguish a fire; Scriptures say: you have to be gentle when you correct people who dispute what you say; never forget that God may give them a change of mind so that they recognize the truth and come to their senses, once out of the trap where the devil caught them and kept them enslaved... (2 Tim. 2:25-26) therefore, a good word is



worth more than a piece of gold ♡

I think, I believe, You set a Guardian

never be put into words;

yes, it is written that I have given you the
pledge of the Holy Spirit; He comes to help
everyone in his weakness, reminding man
where his duty lies and being man's
Advocate, He would plead to Me, the Father,
saying: "release him from descent into the
pit, for I have found a ransom* for

his life;" and thus spared, spared from
sliding into the eternal fires, I* allow
his life to be spent into the light*; then,
he will praise Me and give glory to Me...
to those who repent I permit return...
I cherish man's generosity like the pupil
of My Eye...

as for answering You the other
questions, Father, I do not know, I do
not know how You control all
things, and I will never know...

I do not know either what has man
